## Accredited Bible School

Have you ever had the desire to earn a degree in Theology but couldn't seriously consider it because of time or finances?

Do you have a desire for an in-depth, disciplined, Bible study that will deepen your understanding of God's Word and help you grow to new levels?

The Master's House in Ashland, VA is providing assessable, affordable and accredited courses through Life Christian University.

LCU is accredited through Transworld Accrediting Commission International. Now in their 22nd year, TAC accredits and assists Biblical theological schools, seminaries, universities, colleges, and institutes throughout the world. They provide supervision for over 100 member institutions, including major denominations and well-known world-wide ministries, in 23 states within the USA and 6 countries.

Transworld Accrediting Commission International is an independent accrediting agency that exists to help the religious world obtain accreditation that is not government affiliated, but is recognized by most churches, ministry institutions, and ministry organizations.

As a Christian University, LCU offers academic programs that are specifically designed to equip students who feel the call of God on their lives and wish to build a ministerial career or to further their Christian education.

## Compare: Traditional Colleges

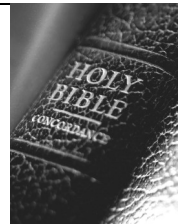

- Full-time students earn 30 credit-hours per year
- Students are required to take courses they'll never use in any career field (much less in ministry).
- Students take 5 courses simultaneously each semester with two semesters each year.
- Students attend up to 15 one-hour classes each week.
- Five final exams and/or five research papers are all due during finals week.
- Sorry, your years of pastoral ministry experience are worthless here.
- Sorry, your current, faithful Christian service to your local church is equally worthless here.
- Tuition varies, but a student will pay from \$255-\$4500 tuition for a 3-credit-hour course plus book cost. Then add lab fees, gym fees, & parking permits each semester.
- Students often graduate with thousands of dollars of college debt.

## Increase the Helps Ministry in your church!

Life Christian University encourages students to be involved in the Helps Ministry *of their own church*. Students are required to serve 72 hours during the school year in some area of Helps in their church. This earns the student three credits for Ministry Practicum, which is needed each year to complete the 30 credit hours to graduate.
